

For Child Passenger Safety

From: *Your Practitioner*

Date: *Today*

-
- Go to www.boosterseats4safety.org. This site has an informative video about the importance of booster seat and rear seat use for your child. You will also find information and resources about child safety seats.
 - Visit www.umakeitclick.org, an interactive site for 8-12-year-old children. Your tween will learn the importance of back seat and safety belt use in a fun, engaging manner.
